

Sonoma County After School Network

Connecting More than 40 After School Providers in Sonoma County

SCAN Training Series ~ Spring 2012

Sponsored by Sonoma County After-School Network (SCAN),
Region 1 After School, and Boys & Girls Club of Marin and Southern Sonoma Counties

You Matter! (2-day series)

Jan. 19 & Feb. 24, 9:00-noon

Location: Boys & Girls Club Lucchesi Park Clubhouse, 203 Maria Drive, Petaluma

Facilitated by: Tracy Nevill, Physical Activity & Nutrition Coordinator, CalSERVES Americorps

This two part series is designed to empower those who work in youth development and after school programs. It will focus on the power of working with a strength-based approach, meeting the needs of young people, and putting our resilience in action in youth programs. Participants will leave with a greater understanding of their role in youth development.

Dealing with Challenging Behavior

March 2, 9:00-noon

Location: Boys & Girls Club Lucchesi Park Clubhouse, 203 Maria Drive, Petaluma

Facilitated by: Denise Keller

This workshop will present a positive behavioral approach to working with students with challenging behavior. Participants will identify challenging behaviors, learn skills to analyze the environment, conduct useful student/program observation, build up tool box of interventions, understand behavioral manifestation of some common disabilities and learn effective interventions to address the behaviors.

Tween Age Angst: Aggression at its Best and FISH!

March 29, 9:00-noon

Location: Boys & Girls Club Lucchesi Park Clubhouse, 203 Maria Drive, Petaluma

Facilitated by: Amy Chevrolet, Aimee Kisaichi, and Taylor Ford

Tween: Come and learn developmental practices to better engage your "tweens" to talk through their aggression and eliminate that power struggle. FISH!: This interactive training promotes more connected teams, better communication and extraordinary service. FISH! has created a new vocabulary that won't just change how you view your work, it just may change your entire view on life!

Physical Activity

April 12, 9:00-noon

Location: Boys & Girls Club Lucchesi Park Clubhouse, 203 Maria Drive, Petaluma

Facilitated by: Lissette Gragg

Learn new innovative games and activities that are fun and age appropriate. You will learn games and activities that will encourage children to be physically active. You will receive tips for successful group management, tips for teaching basic skills in sports and most important making physical fitness fun.
